

**LPAS Family Stories**

Please use the following questions as prompts, answer as fully as you can, and share any additional stories or information that they may trigger. The idea here is to generate as much Liberty Point/Mullett Lake history out of all of our families as possible, in order to preserve and compile it for future generations.

Please use additional sheets of paper as necessary, and share any more questions you would like to add!

Family Name: \_\_\_\_\_ First Name(s): \_\_\_\_\_

Cottage address: \_\_\_\_\_
